

# Lieferprogramm 2023

## Lösungen für etablierte und zukunftsorientierte Technologien

TD SYNnex ermöglicht es Vertriebspartnern, weltweit komplexe IT-Lösungen zu liefern. Unser innovativer Geschäftsansatz und fundierte Expertise in Technologien für Rechenzentren, Cloud Computing, konvergente und hyperkonvergente Infrastruktur, Mobilität, Analytics, Security und IoT befähigen Vertriebspartner, diejenigen End-to-End-Lösungen zu liefern, die ihre Kunden für die Transformation in einer sich wandelnden IT-Landschaft und zukünftige Wettbewerbsfähigkeit benötigen.

Partner von TD SYNnex profitieren von einem ausgewählten Portfolio etablierter und zukunftsorientierter Technologien sowie umfangreichen Services und Dienstleistungen aus den Bereichen Sales und Business Development, Logistik und Integration, Technik, Marketing, Aus- und Fortbildung sowie Finanzen.

Darüber hinaus können sie auf ein gewachsenes Eco-System für die unterschiedlichsten Lösungen oder Dienstleistungen wie zum Beispiel für den Managed Service Provider-Markt zurückgreifen. Die Mitarbeiter von TD SYNnex verfügen über das entsprechende Know-How, um spezielle Services in bestehende Geschäftsmodelle zu integrieren und erfolgreich zu vermarkten.

## TD SYNnex Academy – Wissen bedeutet Vorsprung.

Wissen bedeutet Vorsprung. Ergänzend zu dem umfangreichen Produktportfolio an Technologielösungen bietet TD SYNnex Ihnen bei Ihrer IT-Investition einen entscheidenden Mehrwert – die Qualifizierung Ihrer IT-Fachkräfte. Praxisnahe IT-Trainings stellen sicher, dass Ihre technischen Ressourcen optimal eingesetzt werden. Dabei verfügt TD SYNnex Academy über modern ausgestattete Trainingscenter sowie ein Pearson VUE und Prometric Test Center für offizielle Zertifizierungsprüfungen.

Als autorisierter Trainingsanbieter für Cisco, VMware, Veeam, Microsoft, DataCore, Sonicwall, IBM und vielen mehr, bieten wir Ihnen außerdem exklusive und themenspezifische Workshops zu Cloud, IoT, Security und Blockchain.

- » Die Trainingsinhalte versetzen Sie in die Lage, die bestmögliche Performance aus Ihren Systemen zu holen.
- » Lernen Sie, Standardfehler künftig zu vermeiden und Ihre Infrastruktur nach Best Practices zu konfigurieren und zu administrieren.
- » Sie sprechen mit einem Team kompetenter und zuverlässiger Ansprechpartner.
- » Schöpfen Sie Ihre Fähigkeiten aus der umfangreichen Expertise unserer engagierten Trainer.

Unser detailliertes Kursangebot finden Sie hier unter [academy.tdsynnex.com/de](https://academy.tdsynnex.com/de)

Gerne führen wir auch individuell zugeschnittene Trainings nach Ihren Wünschen bei Ihnen vor Ort durch. Kontaktieren Sie uns für eine individuelle Beratung – wir freuen uns auf Sie!

### Sie wollen sich zertifizieren lassen?

Sprechen Sie uns an und erfahren Sie mehr über unser Ausbildungs- und Trainingsangebot.

# TD SYNEX SERVICES

Mit den TD SYNEX Services können Sie auf die technische Expertise von TD SYNEX in Projekten, bei der Betriebsverantwortung oder im täglichen Support Ihrer Kunden zugreifen. Mit unseren skalierbaren Services haben Sie jederzeit das Personal und Knowhow auf Ihrer Seite, um einmalige Lastspitzen innerhalb von Projekten auszugleichen oder Ihr Angebot schnell und einfach weiter auszubauen, um damit ihre Kundenbindung zu steigern.

Wir entwickeln und stärken Ihr Angebot mit folgenden Services:

## *Managed Services*

Übergeben Sie uns die Betriebsverantwortung und konzentrieren Sie sich auf Ihr Kerngeschäft.

### **Managed Cloud Services für Azure und AWS**

azure.at@tdsynnex.com  
aws.at@tdsynnex.com  
+43 1 48801 254

### **Managed Firewall Services für Cisco**
